DAY CAMP

SPECIALTY CAMPS

SPORTS CAMPS

TIME TO SHINE

Bring out their best this summer.

We've designed the perfect camp for your child, complete with all the fun, enriching activities they love, and the important safety measures and flexible hours you expect. And with more options to explore, including Day Camps, Academic Camps and Specialty Camps, you can design a one-of-a-kind experience that will make them shine!

Campers will enjoy sports and games, exciting STEM projects, arts, crafts, music, dance and drama. They'll grow more independent, develop social skills and continue to learn—all while having fun and making new friends!

Each week, students in kindergarten through grade 5 jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our camp features a unique selection of indoor and outdoor activities.

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique activities for them to try!

Our sports camps promote skill building, expose children to new activities, and help build healthy exercise habits.

DAY CAMP

School-Age Day Camp

Every day is an adventure • Rising K–Grade 6

Each week, students in kindergarten through grade 5 jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our activity blocks give campers fun and variety in their camp day. *Students must turn five years old by September 1, 2022 to participate in the K Summer Program.*

Visionary Arts

Art is in the eye of the beholder. Campers will push boundaries of perception through a variety of projects that are meant to improve skills and inspire creativity.

Athletic Edge

We're putting a fun and competitive edge on sports for all skill levels. From foursquare to dodgeball, there is something for everyone to try.

Kindness Rocks

Our campers will pay it forward as they help others in need by planning a community service event from brainstorm to implementation.

Fireless Cooking

Whether campers dream up their own food truck, decorate like a cake boss or simply make a yummy summer treat –the food possibilities will be endless.

Color Wars

Our daily pep rally is a time for campers to gather for songs, chants and challenges that promote collaboration.

Blowing off STEAM

Campers will work together to solve problems, while developing a love of science, technology, engineering, art and math.

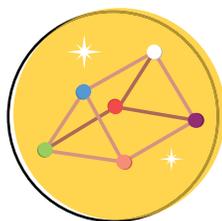

Figure it Out

Campers will put their minds together to complete various puzzles by analyzing clues and brainstorming solutions.

Let the Games Begin

We hope our campers are ready for some good old fashioned fun. They'll have a blast building skills in a variety of indoor and outdoor games.

3D Structures

We'll be challenging our campers to put their construction skills to the test as they plan and build 3D objects using Legos, clay, balloons and more.

Picture Perfect

Campers will explore the tools necessary to capture great images and videos, and refine them through digital imaging.

School-Age Day Camp

Every day is an adventure.

Rising Grades K-5

Tuition & Fees

Registration: \$75

- **Early and Late Bird:** \$100/week

Camp Tuition:

- **Weekly Rate:** \$480

Hours: 8:30 AM-3:30 PM

Early Bird: 7:30 AM-8:30 AM

Late Bird: 3:30 PM-5:30 PM

Lunch and snacks are not provided

Online Registration

Visit the camp section of our website to sign-up today.

Available Weeks: *No Camp July 4

Week 1: June 6-10

Week 2: June 13-17

Week 3: June 20-24

Week 4: June 27-July 1

Week 5: July 5-8*

Week 6: July 11-15

Week 7: July 18-22

Week 8: July 25-29

Week 9: August 1-5

Payment Policy: A one-time, \$75 non-refundable registration fee, plus a \$25 non-refundable deposit per session is required at registration. The balance of fees for summer programs will be automatically withdrawn on May 2 from the credit card on file. Receive a 5% discount off total camp tuition when registered by April 11, 2022.

Cancellation Policy: If you enroll in camp and your plans change, or you have concerns about your child attending camp this summer, you can receive a full refund/credit for camp tuition, less registration fee and deposits. Program change request must be received 2 weeks prior to enrolled camp week start date. Participants who do not attend their registered camp week, or who do not contact us to cancel two weeks prior to start date, will not receive a refund or credit. By submitting your payment, you are agreeing to the policy outlined above.

Tuition and Fees

For all Academic, Specialty, and Sports Camps

REGISTRATION FEE: A one-time, \$75 non-refundable fee is required at registration.

DEPOSITS AT REGISTRATION: a \$25 non-refundable deposit is due for each session registered (e.g., if you sign up for 4 separate sessions, \$100 deposit is due).

TUITION BALANCES: The balance of fees for summer programs will be automatically withdrawn on May 2 from the credit card on file.

PRIORITY REGISTRATION: Receive a 5% discount off total camp tuition when registered by April 11, 2022.

REFUND/CANCELLATION POLICY: (DAY CAMPS) Cancellations require a 2-week notification from the start date of the session. No refunds will be given for cancellations within 2 weeks of the camp start date. Refunds will not include the \$25 deposit or the \$75 registration fee. In the event a camp is cancelled due to low enrollment, a full refund for that camp will be given.

REFUND/CANCELLATION POLICY: (SPECIALTY AND SPORTS CAMPS) Cancellations for specialty and sports camps will need to be made by April 28, 2022 to receive a refund. The refund will not include the \$25 deposit or the \$75 registration fee.

SIBLING DISCOUNT: A 10% sibling discount is available (not applicable to the first child).

Important Information

EARLY BIRD/LATE BIRD: Early Bird begins at 7:30 AM and Late Bird ends by 5:30 PM. Additional fees are applied for pickups later than 5:30 PM.

LUNCH: From 12:00 PM–1:00 PM, students will take a break for lunch. Lunch will be outdoors the entire time and will not be provided. Campers will need to bring a lunch from home.

WATER: Please have your child bring a water bottle to camp each day. Summer is hot and we want to make sure our campers are well hydrated. Water refill stations will be available.

SUMMER CAMP IN A PANDEMIC: Having been open on-campus since August, we know we can run a safe summer camp. We follow all CDC guidelines for health and safety. All campers and staff will be required to wear a mask throughout the day, except when actively eating. Families will be asked to keep campers home if they are sick. Please see our website for full COVID details. By registering you are agreeing to abide by all of our COVID policies on our website.

SPECIALTY CAMPS

Specialty Camps

Explore and expand your interests • Rising K–Grade 2

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique activities for them to try!

Fees:

Early and Late Bird: \$100/week

Hours:

AM Sessions: 9:00 AM–12:00 PM

PM Sessions: 1:00 PM–4:00 PM

Early Bird: 7:30 AM–9:00 AM

Late Bird: 4:00 PM–5:30 PM

Lunch and snacks are not provided

Week 6: July 5–8*

Week 7: July 11–15

Week 8: July 18–22

Cooking Around The World Camp

Note for students with nut allergies—we won't be cooking with any foods that will affect you!

Do you love to cook? Want to know more recipes? In this unique cooking camp for young kids, campers learn all about food: how to make it, how to make it safely, and how to use it for good! You'll learn about food safety, meet new friends, and cook some (oven-less) recipes from all 6 inhabited continents. Everything you cook will be easy to make and suitable for after-school cooking: including "easy pizza", Japanese Onigiri (Rice Balls), and other finger-foods from Africa, Asia, and South America. During camp, you and your friends will play fun cooking games, learn about math through the process of measurement, and donate food you make to local charities in order to give back to others. At the end of camp, you'll have a whole recipe book you can use to impress friends and family at home!

Grades: K–2

AM Session and PM Session

Week 5: June 27–July 1

Week 6: July 5–8*

Week 7: July 11–15

Week 8: July 18–22

Price: \$320, \$280 for Week 6

Specialty Camps

Keep learning while having fun.

Rising K–Grade 2

My First Lemonade Stand

Let's sell lemonade! Young campers become "lemonade entrepreneurs" and learn how to make yummy lemonade and earn money selling it! From designing marketing flyers to estimating profits to experimenting with recipes, campers have fun all week while developing business savvy. As an optional showcase event, campers launch the lemonade stand on Friday to raise money for a charity they select!

Grades: K–2

AM Session

Week 2: June 6–10

Week 7: July 11–15

Price: \$280

Team Building (this is a two-week camp)

Week 1: **Team Building through Story!**

Our introduction to performance through classic storytelling provides a safe space for students to explore their imaginations and emotions through theatre games and performance. Students will work collaboratively in an ensemble performance-based retelling of a storybook, under the guidance of a professional storyteller. They will learn how to work as a team, become stewards of their community, how to project their voices, communicate with their body and exercise critical thinking skills through story analysis and game play. Through all of these tools, each student will find a new way of communicating and succeeding with the world around them.

Week 2: **No Fear Drama is Here!**

Our classic theatre and film acting class (originally called The Art of Performance) provides an immersive, collaborative, and educational experience. Students will have custom scenes written for them by a professional writer, each working on their specific challenges and framed around their personal needs. They will learn projection through vocality, critical thinking through script analysis, creativity through character dimensionalization, command through stage/screen presence, and confidence through emotional exploration. Through all of these tools, each student will find a new way of communicating and succeeding with the world around them. FINAL PROJECT: all students will perform in a virtual public showcase for their parents, friends, and peers.

Weeks 4–5: June 20–July 1

Price: \$480

Specialty Camps

Keep learning while having fun.

Rising K–Grade 2

Young Diplomats

This fun camp helps students develop a global mindset and build international awareness early in life, which are important skills in today's increasingly interconnected world. Students explore cultural differences across countries, languages, currencies, country flags, geography games, famous landmarks, current global events, diplomacy and come up with solutions to global problems like hunger, poverty and pollution.

Grades: K–2

AM Session

Week 4: June 20–24

Price: \$280

Young Philanthropists

Campers internalize the benefits of doing well and doing good, reviewing a number of charities and discussing the merits of giving back. Students collaborate in small teams to select a charity or issue they feel passionate about and come up with practical ways they can support that cause (including raising awareness, volunteering and fundraising), then create their own mock foundation!

Keep learning while having fun.

Rising Grades 3–5

Build App Games Camp

Computers or tablets required

Ever wanted to build your own games or apps? Love Roblox or Minecraft? Well, this is the camp for you! In this camp, students will learn the skills of a game maker through conceiving, designing, and creating their own mobile app games. The resulting games can be shared online and texted to friends for them to play on their phones. It's a great way to combine learning with fun becoming a game developer. You don't need any previous experience or special software to take this: all you need is your creativity and a laptop.

Week 5: June 27–July 1

Price: \$280

Leadership & Writing (this is a two-week camp)

Week 1: Leadership for Future Innovators

Is your child going to change the world? This class will give your student the opportunity to think about big ideas in a way they can digest and communicate their own big ideas to shape the future. Each class the student will watch a short TedTalk given by someone between ages 6-15 and engage in a critical analysis of the ideas presented within their cohort. Then students innovate their own new projects and share their ideas with their peers. This process will challenge their ideas and ultimately teach them about persuasion, public speaking, charisma, stage presence, clarity, and other leadership skills! Students will have a blast while learning fundamental skills that will help them in their future careers. FINAL PROJECT: Each student will write, perform, and record their own TedTalk which can be shared with their friends and family!

Week 2: Critical Thinking and Creative Writing

Our most popular program continues! ESoD offers the opportunity for students to delve even deeper into story design and creative writing! Once again, each class will begin with a screening of a previously unwatched animated short film (3-8 minutes), which will then be used to help students think critically to creatively write their own story over the duration of the entire class. Critical Thinking & Creative Writing II features more complicated and intricate narrative structures, more advanced logical exercises, and more opportunities for thinking out-of-the-box! FINAL PROJECT: Final stories written in this class will be published in an e-pub format that can be shared with students' families and friends!

Graphic Design Camp

Get creative this summer! Learn the elements of design and create dynamic digital composites that you can print, frame or wear. Our Graphic Design camp teaches how to combine creativity with digital tools. Students learn the tools, techniques and fundamentals behind good design, and create their own eye-catching composition. Students will create original digital art using effects and other image editing techniques, elements of typography, design elements such as line, form, shapes, color and texture, layout and composition. Projects created in this camp will include digital composite imagery for projects such as cards, posters, t-shirts and more. We teach the essential skills that help convey your ideas creatively and effectively with good layout and design.

We use professional graphic design software and create original designs that can 'talk'. What you get out of this camp is not just digital art, you learn how to compose your presentations. Skills that can be used in anything from classroom presentations to complex layouts. We show you the tricks professionals use to create a 'flow' in your design. You get to learn the know-hows of visual storytelling and communication to create dynamic visuals and striking presentations.

No prior experience required. Students must bring their own devices and software. A computer (Windows PC or Mac) would be needed. Software for this class is Adobe Photoshop. Cost of the software is FREE (for first time users, for one week). Assistance will be provided in installing software.

Motion Graphics & Visual Effects Camp

Experience the fun of blending Graphics, Effects and Animation with our Motion Graphics camp. This unique camp teaches students the foundational techniques of Motion Graphics and Visual Effects. Students learn to create vectors, animate graphics and typography, and use basic codes to create stunning visual effects. Students also use images, audio and videos to create compositions, and learn the basics of video editing. Students implement design elements such as line, form, shapes, color and texture, layout and composition - pair that with animation and videos, and finally add audio and render.

Using professional motion design software Adobe After Effects we will teach students the basics of Motion Graphics, including tricks that you would see in advertisements on tv, or effects in movies. The projects created in this camp will include video composites such as animated logos, transitions, effects and more. Students will experience the motion design production pipeline, and also learn the fun aspects of creating stunning visual effects.

No prior experience required. Students must bring their own devices and software. A computer (Windows PC or Mac) would be needed. Software for this class is Adobe After Effects. Cost of the software is FREE (for first time users, for one week). Assistance will be provided in installing software.

Skills that can be used in anything from classroom presentations to complex layouts. We show you the tricks professionals use to create a 'flow' in your design. You get to learn the know-hows of visual storytelling and communication to create dynamic visuals and striking presentations.

No prior experience required. Students must bring their own devices and software. A computer (Windows PC or Mac) would be needed. Software for this class is Adobe Photoshop. Cost of the software is FREE (for first time users, for one week). Assistance will be provided in installing software.

Grades: 8–10

AM Session

Week 7: July 11–15

Price: \$825

Specialty Camps

Keep learning while having fun.

Rising Grades 8–10

Motion Graphics & Visual Effects Camp

Experience the fun of blending Graphics, Effects and Animation with our Motion Graphics camp. This unique camp teaches students the foundational techniques of Motion Graphics and Visual Effects. Students learn to create vectors, animate graphics and typography, and use basic codes to create stunning visual effects. Students also use images, audio and videos to create compositions, and learn the basics of video editing. Students implement design elements such as line, form, shapes, color and texture, layout and composition - pair that with animation and videos, and finally add audio and render.

Using professional motion design software Adobe After Effects we will teach students the basics of Motion Graphics, including tricks that you would see in advertisements on tv, or effects in movies. The projects created in this camp will include video composites such as animated logos, transitions, effects and more. Students will experience the motion design production pipeline, and also learn the fun aspects of creating stunning visual effects.

No prior experience required. Students must bring their own devices and software. A computer (Windows PC or Mac) would be needed. Software for this class is Adobe After Effects. Cost of the software is FREE (for first-time users, for one week). Assistance will be provided in installing software.

SPORTS CAMPS

Sports Camps

Learn skills and gain confidence • Grades 3–5

Our rigorous sports camp promotes skill building, exposes children to new activities and helps build healthy exercise habits. We bring sports specialists from around the area to help each camper improve, practice and play each sport.

Ultimate Frisbee Camp!

Want to have fun and learn valuable social and emotional skills? Well you can do that through playing Ultimate Frisbee, one of the fastest growing sports in the US! In addition to being an athletic and welcoming. Ultimate has a unique collaborative, ruleset where players help enforce the rules together that fosters cooperation and growth. In this camp, we'll learn the game, play together and learn how to be diligent and overcome challenges through repeated tournament play.
